

B-Girl AT

B-Girl AT (Finland) has been a leading name in the b-girl scene for over a decade and her style has greatly influenced dancers all around the world. AT started breaking in 2004 and since then, she has ambitiously shown the world that b-girls can take big titles too. AT is the only three-time Hip Opsession Champion and the only female to win the IBE Footwork battle, WDC Japan Champion, and the Finnish National Championships.

AT is a highly respected judge because of her strong knowledge and understanding of breaking and its culture. As one of the few b-girls in the world, her credits include judging many of the breakin scene's biggest events such as the Red Bull BC One World Final. In 2018, AT was chosen to represent breaking in the Youth Olympic Games as an Athlete Role Model.
